I will try to finish up the SC WWR Options Sheet by early afternoon today and resend the link so everyone has it fresh. If you can add/delete revise as you see fit by 2 p.m. tomorrow. Then, thought it would be good to check in and refresh ourselves on this issue and the options we've laid out before we talk to Mary Walker on Monday afternoon at 2:15. I will be drawing a lot on the TUCP conversations with HQ and our very good meetings that we've been having on the assessment side of the house with Heather Preston, Wade and Matt at DHEC.

I know Michele will not be here for the Monday briefing and Annie's out for this meeting, but we'll do the best we can and get 'er done.
